SMALL CROWD PRESENT
TO WITNESS FIGHT

LAS VEGAS, N. M., July 3.—
With but a small crowd present to
witness the fight tomorrow between
Johnson and Flynn, it is probable
that the contest may not take
place. The treasury contains funds
insufficient to pay the amount
guaranteed Johnson. Managers for
both fighters are dubious over the
outcome.

MANHATTAN ORE VEIN
WIDENS MATERIALLY AS
WORK IS CARRIED ONWorkings Of The Dexter Union Mines
Company Are Producing Good
Grade of Milling Ore

Special to the Bonanza

MANHATTAN, July 3.—By means
of a winze being sunk on the vein
of rich ore recently discovered in
the workings of the Dexter-Union
Mines company, the same has
widened from six inches to two and
a half feet. It started some four
weeks ago with values averaging
\$1,000 a ton. Since then with the
increase in volume the grade of the
ore has come down to good milling
values, but the greater size per-
mits its being worked by the re-
moval of ore exclusively with a
handsome profit on its extraction
and reduction.

The strike is in a north crosscut
from the main east drift reached
through the famous Rose-Nash
shaft. The crosscut follows a north
and south fissure, which throughout
the camp are so notably characteris-
tic of high-grade bunches, shoots
and big ore bodies. But the strike
itself is another east and west for-
mation ledge, lying alongside a con-
tact carrying its best values some
two feet distant from its intersec-
tion with the fissure.

The winze is down about 15 feet
and the veins widen with every
round of shots.

Superintendent Sam C. Durkee is
also opening a stope on the main

contact ledge and is hoisting there-
from a very good grade of milling
ore. This ledge runs from 15 to 20
feet wide and all of it will mill at
a profit. Both of these workings
are reached from the 70-foot level.

With the clearing of water from
the lowest or 120-foot level, both
ore bodies will be opened and stoped
from below. The pay dump
of the company will grow apace,
once that the water is out and the
raises into the shoots. In other
words, this company is soon to take
a rating of one of the big producers
of the camp.

BIG CASINO WILL

fight that will occur tomorrow af-
ternoon at Las Vegas, N. M., will

fast as received. First report will
be received at 1:30 p. m. Every-

FIVE DIFFERENT
WAR DANCERS WILL
BE ON PROGRAMMONO LAKE INDIANS ARRIVE
TODAY AND BIGGER TRIBES-
MEN TONIGHT

Billy Douglas and Bob Prouty,
who will have charge of the In-
dian affairs during the Fourth of
July celebration, reported this morn-
ing that fully 1000 Indians of a
half dozen different tribes had ar-
rived in Tonopah, and that their
numbers were being augmented hourly.

The eight war dancers from Mono
county, Cal., arrived at an early
hour this morning, while two Big-
ger Indians will be here in the
morning from the Yosemite valley.
In addition the dancers from Hot
Creek and the eastern section are
already on the ground. It is the
opinion of Douglas and Prouty that
no less than five different tribe
dances will be given on the even-
ing of the fifth.

The Indians will have a great
celebration of their own and have
chosen their orator for the occasion.

The orator is 109 years old and
arrived yesterday from Ash Mead-
ows. He belongs to the Shoshone
tribe.

The Indian band from the Stew-
art Indian institute at Carson will
arrive in the morning. The band
consists of 17 players, and will be
enlarged by the addition of two
additional players who arrived to-
day from the Hot Creek section
where they are spending the sum-
mer.

The Indians are leaving the hay
fields and all work in order to wit-
ness the celebration here and are
traveling in all kinds of convey-
ances. It is expected that fully
1500 representatives of the differ-
ent tribes will be on hand when
the celebration opens in the morn-
ing.

ENTRIES FOR
DRILLING CONTEST
CLOSE TONIGHTRULES GOVERNING EVENT ARE
PRESCRIBED BY CHAIRMAN
ED MALLEY

Rules and regulations to govern
the world's championship drilling
contest have been drafted by Ed
Malley, chairman of the contest
committee. The entries for the
contest close at 6 o'clock this even-
ing and at 8 o'clock the entrants
will draw for places. The drawing
will take place at the Tonopah Li-
quor company and will decide the
teams that are to drill tomorrow
and on the succeeding day.

The rules as prescribed by Chair-
man Malley state that the contest
is open to the world and that the
time of drilling will be 15 min-
utes. Only 7-8 steel can be used,
while the hammer is not to weigh
over eight pounds. Two blows will
be allowed with each change and
the drillers can change as often as
they so desire during the 15 min-
utes. Each team will be allowed
one coach and one time keeper.
The distance of the holes will be
measured and announced after each
team concludes drilling.

The judges of the event, who will
also officiate as time keepers are
Ed Malley, W. J. Douglas, Roger
Daugherty and Steve Clark.

WILL SWING 53
POUND WEIGHT LIKE
AN INDIAN CLUBJAMES MURPHY VOLUNTEERS
HIS SERVICES FOR THE BIG
CELEBRATION

James Murphy, the well known
engineer and athlete, who recently
became a resident of Tonopah, has
volunteered his services free of
charge for the Fourth of July cele-
bration. Mr. Murphy claims to be
the champion rope jumper of the
world and has a record of skipping
the rope 5,000 times in 40 minutes.
He can also skip the rope 100 times
in 30 seconds.

Mr. Murphy swings a 53-pound
hammer attached to the end of a
36-inch handle in the same man-
ner as any other person would
swing an Indian club, and is will-
ing to back his faith with a sub-
stantial wager that he can outclass
all comers in handling this heavy
weight.

Mr. Murphy will appear during
the preliminaries to the boxing con-
test at Recreation park tomorrow
morning when he will give an ex-
hibition of rope skipping and hand-
ling the 53-pound weight.

D. Aspland of the Tonopah and
Tidewater railroad, with headquar-
ters at Goldfield, was transacting
business in Tonopah yesterday and
this morning.
